

FEDERAL CIVILIAN

Authorization-ready risk advisory, set-aside eligible

FISMA, RMF, and zero-trust risk delivered by a senior team that has served.

SDVOSB · CA DVBE · MD MBE · CA / MD SB · UEI NFDUQKK8E6N3 · CAGE 08WU4 · SAM.gov Active, All Awards
SBA-certified SDVOSB · CA DVBE valid thru 02/28/2027 · GSA Schedule pending · Directly awardable today

Apogee helps federal civilian agencies build authorization-ready risk programs and the accountable leadership to sustain them, delivered by a principal who is a U.S. Naval Academy graduate, Marine Corps officer, and retired FBI senior executive. Set-aside eligibility and active registrations make Apogee directly awardable today.

WHAT'S DRIVING THE CONVERSATION

- **FISMA and RMF** · ATO support and continuous authorization
- **NIST 800-53** · control assessment and remediation
- **Zero Trust** · OMB M-22-09 architecture and roadmap
- **EO 14028** · software supply chain, SBOM, and SSDF
- **FedRAMP** · cloud authorization readiness
- **AI governance and personnel assurance** · OMB AI policy, agency adoption, and workforce vetting governance

HOW TO ENGAGE

- Direct award
- SDVOSB set-aside
- Competitive task order
- Prime / sub teaming
- GSA Schedule (pending)
