

Practitioner-led risk advisory, set-aside eligible

Cyber, governance, and leadership programs delivered by a senior team that has served.

SDVOSB · CA DVBE · MD MBE · CA / MD SB · UEI NFDUQKK8E6N3 · CAGE 08WU4 · SAM.gov Active, All Awards
SBA-certified SDVOSB · CA DVBE valid thru 02/28/2027 · GSA Schedule pending · Directly awardable today

Apogee gives public sector leaders a defensible risk picture and the accountable leadership to act on it, delivered by a principal who is a U.S. Naval Academy graduate, Marine Corps officer, and retired FBI senior executive. Set-aside eligibility and active registrations make Apogee directly awardable today.

WHAT'S DRIVING THE CONVERSATION

- **NIST CSF 2.0** · assessment and remediation mandates
- **Audit or grant findings** · requiring demonstrated cyber governance
- **Incident response readiness** · tabletop exercises for executive and operational teams
- **AI adoption in public safety** · governance and POST-aligned leadership training
- **Workforce continuity and insider risk** · the human domain of public trust
- **A new risk owner** · needing an enterprise baseline

HOW TO ENGAGE

- Direct award
- SDVOSB set-aside
- Competitive task order
- Prime / sub teaming
- GSA Schedule (pending)
